**IPEC Europe 20<sup>th</sup> Anniversary Seminar  
 "Looking back, Moving forward"  
 26 January 2012 – Barcelona (SP)**

IPEC Europe will celebrate its 20<sup>th</sup> anniversary in 2012. Created in 1992, IPEC Europe gathers manufacturers, distributors, users of excipients and is the voice of excipients in Europe.

With an audience composed of industry representatives, regulators, stakeholders and scientists; this special event offers an opportunity for a company to show its commitment to the excipient industry and highlight its services and products.

The sponsorship would help support the organisation of an attractive and interesting seminar with high-quality speakers.
